

## **Upton meadows primary school sports premium funding 2017-2018**

### **Upton meadows vision**

At Upton meadows Primary School we aim to establish a sporting culture which helps to improve all pupils' physical wellbeing and lifestyles, promote participation, progress, completion and enjoyment of a range of sporting activities.

### **Primary School's Sports Funding.**

#### **What is the Sports Premium?**

The Government is providing funding of £150 million per annum for academic years 2013/14, 2014/15 and 2015/16 to improve provision of physical education (PE) and sport in primary schools.

All schools will receive a lump sum of £8,000 plus a premium of £5 per pupil for the three academic years. Schools will have to spend the sport funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.

At Upton meadows we have decided to use the money for 2017-2018 in the following areas:

- Continue to increase participation in intra and inter level competitions across the school.
- Change 4 life club.
- Complete the Upton Ramble track – to be used like the golden mile by all children and local community.
- Continue to develop and expand the existing sports crew. Focus on upper key stage 2 children.
- Promote team houses through termly intra-house competitions in year groups. House reward days.
- Support and engage least active children in physical activity, offering opportunities to take part in a range of sports / clubs.
- Maintain silver school games award and work towards Gold award status.
- Invest in staff CPD opportunities.
- Sufficient swimming lessons for year 4 children.

Monitoring and evaluation.

- This report will be updated at the end of each academic year to identify the success of the above initiatives and the impact they have had.
- Delivery will be monitored by PE Coordinator. This will also be overseen by Head teacher – Mrs Gardner.
- Monitor and record the level of participation in extra curricula activities.
- Share progress within cluster meetings with other schools.
